

ROBERT STEMMLER

The 2008 harvest gave us a wealth of fruit expression as our first release of wine from that vintage clearly demonstrates. Our Robert Stemmler Carneros Pinot Noir Rosé is necessarily made in very small quantities. In the process of making our regular Pinot Noirs, we sometimes remove a tiny bit of beautiful free run juice to concentrate the must. In Burgundy, this “bleeding” off of juice is called saignée.

2008 CARNEROS PINOT NOIR Vin Gris

This rosé offers a nose full of fresh cherry, strawberry and raspberry aromas with jasmine, peach and orange blossom floral notes. The wine's abundant flavors include strawberry, cherry pit and stone fruit, and it finishes long, crisply and cleanly. As weekend afternoons warm up, this delicious wine is perfect by the barbecue and at the picnic table.
