2011 VIN GRIS ROSE OF PINOT NOIR

After a brief time away our Rose returns and Spring is the perfect time to release this charmer. Made from 100% Pinot Noir grapes that are picked after the sun sets, and the night temperatures drop, capturing pure fruit expression and bright acidity. It is lightly pressed into neutral oak where the varied selections come together creating a wine with a hint of salmon color with appealing citrus aromas and a lively finish.

Light coppery pink, this rose has a bouquet of lemons and tangerines, which intensify on the palate alongside tangy grapefruit, gooseberry and musk melon. Minerality carries the wine from start to finish.
